## Safety Information

### Safety Information

**Please read the following safety guidelines before installing and using the Ola Camera.**

#### **WARNING: Risk of electrical and/or mechanical hazards**

- Use only provided power cable and power adapter.
- Connect the power adapter to a standard power outlet only.
- Covering, painting, or putting your camera in a confined container will prevent airflow from reaching it.
- Use your camera only in temperatures between -40°F to 122°F (-40° to 50°C)
- Use only the provided mounts.

#### **WARNING: Risk of serious injury**

- Keep camera, cables and all components out of reach of children and pets.
- Cords can cause a strangulation hazard.
- Make sure the camera is mounted firmly.

#### **WARNING: Risk of damage to device**

- Do not place camera next to other electrical devices such as ovens, air-conditioners and heaters that may cause the camera to overheat.
